

St. Oswald's Home Learning.
Class 4: Week 13 - Week Beginning 13.7.20

Weekly Learning Activities

1	Active Blast – Mighty Monday Have a go at some Yoga today to start the week. Join in with the video and find a small space to work on a strong core, develop muscle strength and help your focus.	
2	The life of Mary Seacole  Join in with learning all about nouns, skimming and scanning. Follow the activities on the BBC website and Watch the videos, complete the tasks, quiz and finish with writing your very own acrostic poem to show what you have learnt.	
3	Art: Draw with Rob Follow along and ‘Draw with Rob’ Get a pencil and some colours to create your own masterpiece!	
4	Science: How do rockets work?  Have you ever wondered how rockets get into space? Watch the videos to find out and complete the activities . Make your own rocket and design your own patch for a space mission!	
5	STEM Rollercoaster Challenge Look at the design challenge attached in resources and create your own roller coaster that can deliver the cart safely at the bottom. All you need is glue and some straws! If you don't have glue, try using elastic bands, paper clips, sellotape, etc. to help fix your straws together.	

Oak Nation Academy - *Online Classroom Weekly Schedule*; for a change you can complete daily guided lessons for maths, English, topic and PE with real teachers. Follow along with interactive videos, activities and quizzes. You would not be expected to complete this as well as the above but feel free to do as much or as little as you can manage. [Year5](#) [Year6](#)

If you still want to continue with Maths/English BBC Bitesize has range of resources. You can also continue to access work by year group.

BBC Bitesize - <https://www.bbc.co.uk/bitesize/dailylessons>
Literacy - <https://www.hamilton-trust.org.uk/blog/learning-home-packs/>
Numeracy - <https://whiterosemaths.com/homelearning/>

Online Learning Accounts; SPAG.com, Read Theory, TT Rockstars and Writing Legends are great resources to use daily but little and often to keep the important things 'ticking over.' **Using all 4 platforms for 15minutes each, daily, would be a great use of 1 hours learning every day.**
