

Friend

As I grow up, I look around,
For someone who shares,
my common ground,
We share our thoughts,
and other stuff,
A shoulder to lean on,
When life get's tough,
I've got your back,
And you have mine,
Our friendship will stand the test of time!

A poem by Imogen Buxton-Pickles

Rap this poem to
the beat and make
up moves to go with
the words!
