

St. Oswald's Home Learning.
Class 4: Week 9 - Week Beginning 15.6.20

Weekly Learning Activities

1	Keep Active – Exercise your body and mind Have a go at completing the fitness, wellbeing and mindfulness activities attached in resources and by joining in with this video . Work through resources and try having a go at some of the activities.	
2	Crystal Maze Maths Challenge  Join in with this maths challenge . Can you solve the problems, collect 5 crystals and escape the Crystal Maze? You'll need your maths skills and knowledge. Good luck! 😊	
3	French Practise and brush up on your French. Click here to learn the days of the week, numbers and other key phrases. Grab a pen and paper and join in. Watch ' Les Grandes Bananes ' song and learn the names of common café foods . You can also go to BBC Bitesize to watch the clip ' Not again Farley ' where Farley opens a French restaurant.	
4	PSHE – How are you feeling?  Our feelings and emotions are very important. It is good to share how we feel and talk about our feelings with others. Read through the attached PowerPoint in resources, complete the emotions wheel and other tasks to help think about how you're feeling.	
5	Science – Floating and Sinking Do fruit and vegetables float or sink? Investigate using a large clear container (glass vase with adult supervision works well), predict before dropping the fruit/ vegetables in the water. Try a clementine or other small orange, then try it peeled – is there a difference? What about an apple, banana, carrot? What about making some secret spy bananas, magic milk or dancing raisins? Check out this US YouTube video to see how to do it. Try making your own butter using a tightly sealed container, tub of double cream at room temperature along with lots and lots of shaking so enlist your household to help!	

Oak Nation Academy - *Online Classroom Weekly Schedule*; for a change you can complete daily guided lessons for maths, English, topic and PE with real teachers. Follow along with interactive videos, activities and quizzes. You would not be expected to compete this as well as the above but feel free to do as much or as little as you can manage. [Year5](#) [Year6](#)

If you still want to continue with Maths/English BBC Bitesize has range of resources. You can also continue to access work by year group.

BBC Bitesize - <https://www.bbc.co.uk/bitesize/dailylessons>

Literacy - <https://www.hamilton-trust.org.uk/blog/learning-home-packs/>

Numeracy - <https://whiterosemaths.com/homelearning/>

Online Learning Accounts; SPAG.com, Read Theory, TT Rockstars and Writing Legends are great resources to use daily but little and often to keep the important things 'ticking over.' **Using all 4 platforms for 15minutes each, daily, would be a great use of 1 hours learning every day.**
