

St. Oswald's Home Learning.
Class 4: Week 8 - Week Beginning 8.6.20

Weekly Learning Activities

Step into Liverpool: History of Liverpool

Use the PowerPoint attached as a resource to research and learn about Liverpool during WW2.

1. Read the information and create a poster including things you have learnt about WW2 and how it impacted Liverpool – what was different to WW1?
2. Imagine you were a child evacuee, placed in the countryside and write a letter home to your mum and dad. Use the example in the PPT to help and explain what it is like to them.

I Have A Dream

Use the PowerPoint attached as a resource to research and learn about the Louisiana Literacy Test and why it was used. Consider what your thoughts and feelings are about this. Do the test and see if you would have been accepted. Watch the YouTube video to learn more about culture at this time and complete tasks.

Remember to use lots of descriptive language and powerful words in your writing and poem.

African Artwork

Use the PowerPoint attached and the following video:

<https://www.youtube.com/watch?v=WhytgHqc63I> to practise and copy your work with colour and patterns. What was your favourite animal from our Rainforest topic? Can you create a colourful scene or habitat with lots of different animals?

Maths Mystery Problem Solving

Join in with the [Mystery Maths Challenge](#) to help find out who stole the class pet? Get ready with a pencil and paper to solve the clues to find the culprit.

Extra Challenge – solved the one above too easily? This tricky maths mystery will get you thinking. Join the [Maths Escape room](#) to solve the problems and escape from school!

Adventure Activities

Use the PowerPoint attached as a resource to complete this week's adventure activities. Remember to make sure you ask an adult first and don't forget to send in any photos of what you achieve!

Good luck 😊

Oak Nation Academy - *Online Classroom Weekly Schedule*; for a change you can complete daily guided lessons for maths, English, topic and PE with real teachers. Follow along with interactive videos, activities and quizzes. You would not be expected to compete this as well as the above but feel free to do as much or as little as you can manage. [Year5](#) [Year6](#)

If you still want to continue with Maths/English BBC Bitesize has range of resources. You can also continue to access work by year group.

BBC Bitesize - <https://www.bbc.co.uk/bitesize/dailylessons>

Literacy - <https://www.hamilton-trust.org.uk/blog/learning-home-packs/>

Numeracy - <https://whiterosemaths.com/homelearning/>

Online Learning Accounts: SPAG.com, Read Theory, TT Rockstars and Writing Legends are great resources to use daily but little and often to keep the important things 'ticking over.' **Using all 4 platforms for 15minutes each, daily, would be a great use of 1 hours learning every day.**
