

St. Oswald's Home Learning.
Class 4: Week 7 - Week Beginning 1.6.20

Weekly Learning Activities

Step into Liverpool: History of Liverpool

Use the PowerPoint attached as a resource to research and learn about Liverpool during the war time.

1

1. Read the information and create a poster including things you have learnt and about what impact the war had on the city. Include detail, pictures and colour.

Read or listen to a book

Catch up on your reading with these classic children's books. Click the link to choose from a range of different books. Try reading one and listening to an audiobook today.

<https://www.researchify.co.uk/audiobooks.html>

Quick Fire Writing Challenge

Have a go at a writing challenge today. Choose a category you like the sound of, watch the video and get writing.

Click the link to give it a go and remember to submit your entry when you have finished.

Computing

Refresh your computing skills and be a computational thinker by completing some of these [activities with Barefoot Computing](#).

STEM: Stop the spread

Using the attached resource sheet to help, can you design and build a model of a hand washing device. Imagine you work for a charity and have received some funding to help pupils in a school in Kenya to reduce the spread of disease in their school. The device could go in a playground which will enable them to capture rainwater to use to wash their hands.

Finished? Can you now think of a device that we could use in this country now to help stop Coronavirus spreading? What would it look like and how would it work? The more creative the better!

Oak Nation Academy - *Online Classroom Weekly Schedule*; for a change you can complete daily guided lessons for maths, English, topic and PE with real teachers. Follow along with interactive videos, activities and quizzes. You would not be expected to complete this as well as the above but feel free to do as much or as little as you can manage. [Year5](#) [Year6](#)

If you still want to continue with Maths/English BBC Bitesize has range of resources. You can also continue to access work by year group.

BBC Bitesize - <https://www.bbc.co.uk/bitesize/dailylessons>

Literacy - <https://www.hamilton-trust.org.uk/blog/learning-home-packs/>

Numeracy - <https://whiterosemaths.com/homelearning/>

Online Learning Accounts: SPAG.com, Read Theory, TT Rockstars and Writing Legends are great resources to use daily but little and often to keep the important things 'ticking over.' **Using all 4 platforms for 15minutes each, daily, would be a great use of 1 hours learning every day.**
