Write a letter or messages to them, thanking them for all they are doing in these difficult times and for what they do for others. Send your letter to the person or organisation.

Extension tasks: all extensions are optional and there if you want an extra challenge. SPAG.com, Read Theory, TT Rockstars and Writing Legends are great resources to use daily (consistently) but little and often to keep the important things 'ticking over.'

Using all 4 platforms for 15minutes each, daily, would be a great use of 1 hours learning every day.
