

St. Oswald's Home Learning
Year 6: Week 2 - Week Beginning 20.4.20

Day	Literacy	Maths	Curriculum
Mon	Lesson 1 – The Highwayman Use the following link: https://www.hamilton-trust.org.uk/blog/learning-home-packs/ > Learning at Home Packs for English > Year 6 English Week 3 > Year 6 Day 1 Read the first verse, watch PowerPoint, put events in order and write questions. Extension: Log into https://www.spag.com/ using your details you have been given and complete 1 activity.	Lesson 1 – Vertically opposite angles Click on the following link: https://whiterosemaths.com/homelearning/year-6/ and click on Summer Term Week 1 Lesson 1 Watch the video clip which explains the mathematical concepts and follow the link to 'Get the Activity'. The children can then complete the activity and check their answers. Extension: Log into https://play.ttrockstars.com/auth/school using your details you have been given for 10 minutes.	Liverpool and the UK Topic Lesson 1 – Step into Liverpool Use a search engine or books to research the city of Liverpool further. Using last week's research and any new information and pictures, create a PowerPoint slide all about Liverpool. Incorporate your computing skills, use of copy and paste, different font styles and text. 
Tues	Lesson 2 – Perfect Form Use the following link: https://www.hamilton-trust.org.uk/blog/learning-home-packs/ > Learning at Home Packs for English > Year 6 English Week 3 > Year 6 Day 2 Children watch version of poem and complete related activities. Extension: Read a book for 20 minutes.	Lesson 2 – Angles in a triangle Click on the following link: https://whiterosemaths.com/homelearning/year-6/ and click on Summer Term Week 1 Lesson 2 Watch the video clip which explains the mathematical concepts and follow the link to 'Get the Activity'. The children can then complete the activity and check their answers. Extension: Log into https://play.ttrockstars.com/auth/school using your details you have been given for 10 minutes.	Liverpool and the UK Topic Lesson 2 – Step into Liverpool Use the picture resource named 'Liverpool Art & Labelling Task' in week 2 resources and complete related tasks. Art You can use A4 (or bigger if you prefer) and pencil/colours/paints/etc. to recreate the iconic photo of Liverpool. Geography Print picture and label any Liverpool landmarks. 
Wed	Lesson 3 – Linking Clauses Use the following link: https://www.hamilton-trust.org.uk/blog/learning-home-packs/ > Learning at Home Packs for English > Year 6 English Week 3 > Year 6 Day 3 Children read the article and complete related activities. Extension: Log into https://readtheory.org/ using your details you have been given for 10 minutes.	Lesson 3 – Angles Part 2 – special cases Click on the following link: https://whiterosemaths.com/homelearning/year-6/ and click on Summer Term Week 1 Lesson 3 Watch the video clip which explains the mathematical concepts and follow the link to 'Get the Activity'. The children can then complete the activity and check their answers. Extension: Log into https://play.ttrockstars.com/auth/school using your details you have been given for 10 minutes.	Science – Properties of Materials Use the internet to research some of the materials lava is made up of. What different types of states of matter can lava change into? Can you name the different types of lava flow? Baking Soda & Vinegar Volcano Activity: Complete science experiment materials activity using Topic Week 1 resource document. 
Thurs	Lesson 4 – Colons & Semi-colons Use the following link: https://www.hamilton-trust.org.uk/blog/learning-home-packs/ > Learning at Home Packs for English > Year 6 English Week 3 > Year 6 Day 4 Children read a newspaper article and complete writing task and activities. Extension: Read a book for 20 minutes.	Lesson 4 – Missing angles Click on the following link: https://whiterosemaths.com/homelearning/year-6/ and click on Summer Term Week 1 Lesson 4 Watch the video clip which explains the mathematical concepts and follow the link to 'Get the Activity'. The children can then complete the activity and check their answers. Extension: Log into https://play.ttrockstars.com/auth/school using your details you have been given for 10 minutes.	Espresso Go to http://www.discoveryeducation.co.uk/ and use the login details sent to you from the school office. On the home page click on 'Home Learning' and 'Test your taste buds' section of the page or try clicking this link https://central.espresso.co.uk/espresso/primary_uk/subject/module/frontscreen/item1272720/grade2/index.html?source=espresso-home-mixedhighlights Watch video and complete activities.
Fri	Lesson 5 – Hyphens Use the following link: https://www.hamilton-trust.org.uk/blog/learning-home-packs/ > Learning at Home Packs for English > Year 6 English Week 3 > Year 6 Day 5 Children read headlines, revise and complete writing task.	Lesson 5 – Calculating scale factors Click on the following link: https://whiterosemaths.com/homelearning/year-6/ and click on Week 2 Lesson 1 Watch the video clip which explains the mathematical concepts and follow the link to 'Get the Activity'. The children can then complete the activity and check their answers. Extension: Log into https://play.ttrockstars.com/auth/school using your details you have been given for 10 minutes.	Outdoor Learning & Fitness Go for a walk, then draw a picture map of your route when you get back. Include geographical features – paths, rivers, roads, buildings, woodland and anything else you see. Tip: take some photos if you can along the way to help you and remember to follow current social distancing guidelines and keep safe.

Extension tasks: all extensions are optional and there if you want an extra challenge. SPAG.com, Read Theory, TT Rockstars and Writing Legends are great resources to use daily (consistently) but little and often to keep the important things 'ticking over.'

Using all 4 platforms for 15minutes each, daily, would be a great use of 1 hours learning every day.
