Creative Learning We are all living through an event that will be remembered for years to come in history! Use the link below to complete the '2020 Covid-19 Time Capsule' activities. https://letsembark.ca/time-capsule

Extension tasks: all extensions are optional and there if you want an extra challenge. SPAG.com, Read Theory, TT Rockstars and Writing Legends are great resources to use daily (consistently) but little and often to keep the important things 'ticking over.'

Using all 4 platforms for 15minutes each daily would be a great use of 1 hours learning every day.
