

Class 2: Week 11 - Week Beginning 29.6.20

Activities	
1	<u>Investigate: Floating and sinking</u> Collect some items from around the kitchen/house. Which ones float? Which ones sink? Use fruit and vegetables to experiment with. What happens to the peel? Can you make a potato float? Think about why some objects float and some sink. 
2	<u>Make a boat</u> Can you make a boat that floats? Think about the best material to use (you may want to test it first!) Will your boat carry things without sinking? 
3	<u>Staying Safe Online</u> Follow this link - https://www.bbc.co.uk/bitesize/articles/zq3gp4j to learn about how to stay safe online. Complete the activities. Get an adult to read through the 'Online Safety Quiz' can you answer the questions? 
4	<u>Making Music!</u> Follow the link to learn about making instruments at home! https://www.bbc.co.uk/bitesize/articles/zd748xs. Watch the videos and have fun making music. Maybe you could write some step by step instructions on how you made these? 
5	<u>Yoga for kids</u> Use this link https://www.google.com/search?q=simple+yoga+for+kids&oq=simple+yoga+for+kids&aqs=chrome..69i57.3478j0j7&sourceid=chrome&ie=UTF-8 to have a go at some simple yoga poses. Why not get the whole family involved?! 

If you would like to continue to access the English and maths work you can do so using the links below, clicking on the relevant year group.
 English - <https://www.hamilton-trust.org.uk/blog/learning-home-packs/> (week 12)

Maths - <https://whiterosemaths.com/homelearning/> The videos are all still available online and the corresponding sheets are now downloaded onto the home learning page.

There are also lots of good activities on <https://www.bbc.co.uk/bitesize> and you can continue to practise your skills on TTRockstars and SPAG.com
