

Class 2: Week 8 - Week Beginning 8.6.20

Activities	
1	<u>Dive into the Deep</u> Find out about the layers of the ocean using the powerpoint. Can you draw or paint a picture and label the different layers? Maybe you could add the different marine animals found in these layers? 
2	<u>Ocean Song</u> Learn the names of the 5 oceans. Follow this link https://www.youtube.com/watch?v=X6BE4VcYngQ and try to join in with the names of the oceans. If you have a globe at home – can you find the 5 oceans? Have a go at labelling the 5 oceans on the map. 
3	<u>Sea creatures</u> Read the fact cards about the different sea creatures found in the oceans. Can you answer the questions about them? Maybe you could pick your favourite and design a factual poster all about it? Send them to school and we can put them up in the classroom! 
4	<u>Paper plate portholes</u> Using a paper plate can you make a porthole of things you might find in the ocean? Get crafty – use whatever you can find around the house! Use these instructions for help if you need some ideas https://craftsbyamanda.com/paper-plate-porthole/ 
5	<u>The miracles of Jesus</u> Watch the story of Jesus calming the storm https://www.youtube.com/watch?v=uYLHqdSO9OY What do you think his disciples were afraid of? How did Jesus calm their fears? Think about any fears you may have, can you write them down? How could adults help you with this fear? 

If you would like to continue to access the English and maths work you can do so using the links below, clicking on the relevant year group.

English - <https://www.hamilton-trust.org.uk/blog/learning-home-packs/>

Maths - <https://whiterosemaths.com/homelearning/> The videos are all still available online and the corresponding sheets are now downloaded onto the home learning page.

There are also lots of good activities on <https://www.bbc.co.uk/bitesize> and you can continue to practise your skills on TTRockstars and SPAG.com
