

The Friends of St Oswald's

The Friends of St Oswald's (the school's PTA) are here to raise vital funds for the school to help your child with their education.

What we have done so far. This year we have managed to raise funds to buy the school **chrome books** for the children of class 3 and 4 to use. These have gone down very well with the children and are being used regularly to aid them with their education.

These will also be available to students to continue work at home should the school have to close due to Coronavirus.

We also helped with costs to cover the **new outdoor learning space** for class 2. Again the children are having a lot of fun using this!

Looking ahead. We now need to start raising funds again, as you can imagine with not being able to hold the duck race in June and no fundraising since the Easter Egg Hunt our funds needs a boost! We are hoping to raise enough money to buy chrome books for class 1 and 2 to use.

This term we have organised for a hamper to be raffled at the end of the next term for the lucky winner to enjoy at Christmas.

It is already filling well due to your donations- the bigger the better so please donate if you haven't already. Tickets will go on sale after half term.

We have plans for more fundraising after the Christmas holidays so keep an eye out for them.

Thank you! The Friends of St Oswald's would just like to say a big thank you for your continued support, we wouldn't be able to buy these things the children need to help with their education without it.

Would you like to join? We really do love to hear of new fundraising ideas and more help we can get the better!

If you think you could help in any way then please talk to one of us,
