

Friends of St. Oswald's school

Friends of St. Oswald's school really are that-Friends. We help to raise vital funds for the school to pay for things the budget doesn't allow for eg. The school pond, the life bus, the box theatre trip to watch Wind in the Willows and lots, lots more. We meet between 3 and 4 times a year to discuss ideas and plan for fundraising activities. Everybody is welcome whether it's coming to a meeting to share ideas or see what we have planned, to offers of help at an event. All help is greatly appreciated!

At present we are only a very small team of 7! We would love for you to join us, many hands make light work! There is no commitment to come to every meeting or to help at every event we all work and have children ourselves so understand how hard it is to fit everything in. We have just purchased a new sound system for school and hoping to buy Chrome books for classes 3&4 and eventually Ipads for classes 1&2! Do you know a company we could ask for help getting them at discount or that might make a donation?

Current and Upcoming events

Christmas cards- the children have done some lovely designs and hopefully their template will be back after half term!
